SPRING RECITAL INFORMATION

It's time for us to begin planning our Spring Recital. This year, we are planning the event at North High School for Saturday May 21st with a mandatory Dress Rehearsal on Friday, May 20th. There is a \$30 recital fee per student or \$50 per family if there is more than one dancer per family charged for this event. This enables us to allow families to invite as many friends & family members to come watch as they would like and not charge for tickets. There is also a \$50 costume charge per dance that is non-refundable. Please pay your Recital Fee (\$30) by March 1st and Costume Fees by April 1st. Not all classes will be performing in recital but all students will participate in at least one dance, if you need to make special arrangements such as limiting the amount of dances your student is in or have a conflict with the performance please email Jana or Ryan ASAP. To ensure that all our costumes arrive in plenty of time for the show payments need to be made on time, if you have any financial questions regarding recital, please email Ryan. A detailed list of classes performing in the recital is attached and an email with which classes are performing in the matinee & evening shows will follow. Thanks!

Costume Difference: Are you are wondering what the difference is for Holiday costumes versus Recital costumes? Recital costumes are higher quality and yours to keep. We try to purchase costumes that might be used in the future for Halloween costumes, dance class or just fantastic dress-up fashions. We are looking forward to all the fun costumes this year!
